CSIP/LANDTRUST APPROVAL FOR 2019 – 2020: Ronnie reviewed the new goals for next year. A summary of the goals is as follows: *Approximately 80% of students are reaching benchmark in reading and math according to Dibels. We will continue implementing best practices such as: small group / skills-based instruction, Tier II intervention, robust core instruction, etc. to maintain success. 84% of students are at or above benchmark according to the RI assessment. Our goal is to maintain proficiency and increase the ROI by 1-2 words per week for those not yet reaching benchmark. 73% of students are reaching benchmark according to the Dibels early release math assessment. Our goal is to increase this number by 4%.* Ronnie also reviewed how the funds from the Landtrust would be used. For reading, approximately \$7,000 would be spent on iPads, Chromebooks, and software; \$750 for general supplies; \$1,000 for structured classroom supplies; and \$34,000 for Tier II aides salaries / supplies. For math, approximately \$2,000 would be used for technology and software; \$750 for community nights, and \$1,000 for teacher tutoring. The SCC signed the documents approving the plans for 2019 – 2020 CSIP and Landtrust.

ENROLLMENT: Ronnie confirmed that Granite received a 14.5 teacher FTE for next school year. There will be 1 kindergarten teacher, 2.5 first grade teachers, 3 second grade teachers, 3 third grade teachers, and 5 fourth/fifth grade teachers.

Misti will put together water jugs, cups, and granola bars for approximately 200 people. The group needs to think about ideas for a possible educational make and take.
