## Reports from subcommittee:

### Principal:

- Updated staffing-new part time teacher in Second, new teacher in 4<sup>th</sup>
- Meeting schedule for the year-meetings set for the second Monday every month at 4:15 in the library. Sept 9<sup>th</sup>, Oct. 14<sup>th</sup>, Nov. 11<sup>th</sup>, Dec 9<sup>th</sup>, Jan 13<sup>th</sup>, Feb. 10<sup>th</sup>, March 9<sup>th</sup>, April 13<sup>th</sup>, and May 11<sup>th</sup>
- New secretary for taking minutes-Kelly Frye
- Back to School Night and accepting new member applications-applications will be due by Sept. 20<sup>th</sup>. A skylerts will to go out to advertise SCC available positions.
- TSSA proposal review-Funds for school from Cell Tower allocation \$40,000 to spend-looking to hire classroom aids possible for kindergarten-2nd grade for small group instruction. LandTrust money is also around \$40,000-we use this for our reading pullout program and technology.
- STEAM night-decided to shoot for a January indoor night to focus on math, engineering, and tech and an outdoor steam night in May to focus more on health and fitness.
- Learning Environment process-process needs to change so it can be more streamlined and effective. Possible, a google doc that populates responses and then puts responses on an xcell doc.
- Cell tower funding approval-by unanimous vote the SCC approved \$1000 of this money to Mrs. Mulqueen for teacher lunches, supports, encouragements.
  
- New PBIS posters-new posters up in the classroom and hallways to stream line Granite Grizzlies motto.

RISE Testing- not even sure when/if the state will be releasing the data. More information will be available as the state provides it to the district.

Discussed how we are trying to meet the needs of all students. The high performers and the ones that are not proficient.

**Landtrust budget and goals update:** *Approximately 80% of students are reaching benchmark in reading and math according to Dibels. We will continue implementing best practices such as: small group/skills-based instruction, Tier II intervention, robust core instruction, etc. to maintain success. 84% of students are at or above benchmark according to the RI assessment. Our goal is to maintain proficiency and increase the ROI by 1-2 word per week for those not yet reaching benchmark. 73% of students are reaching benchmark according to the Dibels early release math assessment. Our goal is to increase this number by 5%.*

**TSSA:** Our goal is to increase by 4% to 82% proficiency. For those students below benchmark show a rate of improvement (ROI) of 1-2 words per week. Our goal is to maintain and/or increase 2% proficiency on Acadience math assessment by spring benchmark
